Making Museums Matter is an important read for museum professionals and students of museum and library science studies. I learned a lot about museum history, major shifts in museum development and theories for collaboration between museums and libraries.

Making Museums Matter by Stephen E. Weil - Goodreads
Stephen E. Weil has long been considered one of the museum community's most insightful (and frequently wittiest) commentators. In this volume of twenty-nine recent essays, his overarching concern is that museums be able to "earn their keep" -- that they make themselves matter -- in an environment of potentially shrinking resources. Museums matter, according to Weil, when their staff's ...
